Rousing Patriotic Meeting

\$75 Collected For Red Cross and Patriotic Fund

Over eight hundred people
attended the patriotic meeting
held in the Blairmore open
house on Sunday afternoon
last, when addresses bearing
on the work of the Red Cross
Society and the Canadian Pa-
triotic Fund were delivered.

The chair was occupied by
Mr. H. B. Lyon, who in an ap-
propriate manner introduced
the several speakers.

The meeting opened with "O
Canada," led by a choir of over
fifty children under the direc-
tion of Mr. W. Shaw.

The chairman's remarks were
followed by a short address from
"Bob" Campbell, M.L.A., who
in the course of his remarks re-
ferred to the splendid manner
in which the Crow's Nest Pass
had responded to the appeal for
re-enlistment.

He had visited the
famous Sarcee Camp at Cal-
gary on several occasions and
was particularly interested in
the general appearance of the
men of the 10th C.M.B., most of
whom were from the mining
camps of the Crow's Nest Pass.

He appealed for our support
of the great work being carried on
by the ladies of the "Red Cross
Society," who are fighting their
share in the present great con-
flict by the sacrifice of time and
materials for the sake of our
wounded soldiers.

The next speaker was Mr. T.
M. Tweedie, M.L.A., solicitor
of Calgary. Mr. Tweedie spoke
in glowing terms, dealing with
sufferers which led up to the
great conflict now ensuing over
in Europe.

His address
throughout was one of the most
able and interesting ever de-
livered in those parts.

J. C. Boudreau, secretary of
the Franco-Canadian Collieries,
Ltd., delivered a short address
to the French and Belgian
people in their native lan-
guages.

The choir rendered "The
Soldiers of the King," which
was followed by "The Mar-
shall's" by Mr. Raoul Green.

The speaker of the evening

was Mr. J. S. Dennis, assistant
to the president of the C.P.R.
and head of that company's
department of natural resources.
Mr. Dennis was delighted to
have the opportunity to re-
spond to an invitation from our
local committee to come to
Blairmore on this occasion and
render assistance in any man-
ner to the cause of the auxil-
iaries of the Red Cross Society
and the Patriotic Fund. He,
himself, had the honor of being
vice president of the provincial
organization of the Canadian
Patriotic Fund, and thus was
in a position to quote off-hand-
ed facts and figures relating
thereto. He stated that at the
present time there were up-
wards of twelve hundred fami-
lies taken care of by the
organization of the Canadian
Patriotic Fund, and while the
Fund had so far been self-sup-
porting, the exchequer was in
need of immediate funds. Be-
fore closing the speaker referred
to the many cases brought
to his notice of those reservists
or others of English, Serbian,
French, Russian, and perhaps
Italian origin, who were in a
position to go to the front and
do service for the cause of right-
eousness and humanity but who
like towards are hanging back
and watching their brothers fall
in their fight for freedom. They
sought the freedom of Canada,
but failed to rally to the flag in
the hour of danger. He stated
that no man had any right to
speak in this country if at all
eligible, who shirked his duty
when the whole British Em-
pire was at stake. The speaker
made a strong appeal for
donor interest in the work of
the Red Cross Society. He, like
R. B. Bennett, "would dip his
hat to every man, woman and
child of Belgian birth."

A vote of thanks was passed
for the Coleman City Band and
the several speakers and others
who assisted in the program.

A collection was taken, amount-
ing to \$75.00.

The national anthem brought
a successful meeting to a close.

Coun. Sinclair Resigns

The regular meeting of the Blairmore
town council was held last night, very
little business being transacted.

Communication from Hon. Clas-
sieur and J. Smith were read, the
former in connection with relief, the
latter challenging the qualifications of
certain members of the council to act.

Another letter was received from Mr.
Smith, in reply to secretary's query re
prospects of Greenhill mine developing.

The accounts included Mr. A. Ross
\$20.00, J. McDonald \$1.00, W. A. Beech
\$20.00, Rocky Mountain Cement Co.
\$50.00, J. E. Gilles \$5.00, A. Moroney
\$20.00.

Councillor Sinclair tendered his resig-
nation, to take effect June 25th, which
was accepted.

By-law 43 was read three times and
passed.

Councillor Ross gave notice that at
the next regular meeting of the council
he would introduce a by-law to amend
by-law 4.

Councillor Dull gave notice that at the
next regular meeting of the council he
would introduce a by-law to appoint a
returning officer for the forthcoming by-
election.

Council adjourned at 10.15.

Bills announcing a big sale are
just being distributed by the Blair-
more Trading Co. This sale is be-
ing put on for two great purposes
—to raise money to satisfy credi-
tors, and to help strengthen the
Patriotic Fund. The sale will last
until July 17th, during which
time the store will be open even-
ings for the convenience of patrons
who will come in from Michel,
Coleman and other western points
on the evening train to return west
on the "Fryer."

Death of Daniel N. Drain

D. C. Drain received a wire on
Friday night last, informing him
of the sudden demise of his brother,
Daniel Nelson Drain, which occur-
ed that night at Sausalito, Cal-
ifornia. Mr. Drain had been living
in California for the past several
years, but was a former resident of
Blairmore. His wife survives him.

Arrangements were made to have
the body shipped to Blairmore for
interment and the remains ar-
rived on Thursday evening, ac-
companied by Mrs. Drain. The
funeral took place this afternoon
from the residence of D. C.
Drain, and was very largely at-
tended. Rev. Father Crocetto, of
Coleman, officiated and held short
service both at the Catholic church
and the graveside.

Deceased was but 53 years of
age and died of heart trouble. He
was probably better known than
many others of the pioneer settlers
of the Pass, having come to Blair-
more many years ago, where he
erected the Blairmore hotel No. 1,
which was afterwards destroyed by
fire and replaced by the present
structure. During his residence in
Alberta he made many friends,
and the news of his sudden demise
comes as a shock to all.

Mr. Drain was the eldest son of
Mr. and Mrs. Daniel Drain, of
Stoney Point, Ontario.

Don't miss Clinton N. Howard
at the open house tonight.

'The Liquor Act'

Is the Name of the Proposed Pro-
hibition Bill upon which we
will Vote on July 21.

What is the Purpose of The Act?

To prohibit the sale of intoxicating liquors within
the Province of Alberta for beverage purposes.

What The Act will do if passed:

- It will abolish all licensed bars, rooms, clubs and
wholesale stores, and thus will do away with the
trading system.
- It will provide for the sale of liquor for medic-
inal, mechanical, scientific and sacramental purposes
through "Vendors," who shall be Government ap-
pointees.
- It will do away with the element of private
gain and greed by giving the holder of a fixed salary
with absolutely no profit or commissions.
- It will allow such persons as are properly
registered in their particular professions, as druggist,
physician, etc., to obtain alcohol for strictly medi-
cinal, mechanical or scientific purposes.
- It will allow a householder to keep one quart
of spirits and two gallons of malt liquor in his own
home for his private use, provided it is not pur-
chased within the Province. It will prohibit keep-
ing any liquor in hotels, clubs, offices, places of busi-
ness, apartments, boarding houses, etc.
- It will impose a heavy fine and imprisonment
for infractions of the Act.

What The Act will not do:

- It will not stop the manufacture of liquor in
the Province, as this right is granted by Dominion
Statute.
- It will not prevent the importation of liquor
from outside the Province, as this right is granted by
Dominion Statute. It will prevent the sale of
such within the Province.

By The Terms of the Dir-
ect Legislation Act,

under which this referendum is being taken, only a
majority is necessary to make it law in the Province.
Any male British subject, either by birth or
naturalization, who is over 21 years of age, who has
resided for a period of twelve months in the Province,
and for three months in the electoral con-
stituency, shall be entitled to a vote.
If carried, the Liquor Act will go into effect July
1st, 1915.

A Vote For "The Liquor Act" is a

Pasburg Telephone Subscribers Ignored

Pasburg, Alta., June 23, 1915.
Editor Blairmore Enterprise.

Dear Sir—Would you kindly publish the enclosed petition to the nearest of your valuable paper, in order to show the public the raw deal we are getting from the officials of the Alberta Government Telephone.

The petition was got up and signed at the beginning of this year by six subscribers residing here, and was forwarded to the local telephone manager at Blairmore, who promised to have same placed before the proper officials. At the beginning of May, no reply being forthcoming, a copy of the original petition was again forwarded via the Blairmore office. Up to date, nothing has been heard of either of them. In the meantime, rather than continue paying an unjust rate (which, by the way, is \$20 per year more than is being paid at Maple Leaf, Bellevue, Hillcrest, and other places) several of the subscribers have had their lines disconnected.

To some of us, who have always been advocates of government ownership, the ignoring of the petition has been quite a shock, and we doubt if we are not tired of the length of a responsible official.

Yours truly,

A. T. L. RICHARDS.

"The Alberta Government Phones."

Blairmore Exchange.

We, the undersigned residents of Pasburg and subscribers of the Alberta Government Phones, wish to protest against what we believe to be discrimination in the matter of phone rates. The phone rates in our own neighborhood (near Bellevue and Hillcrest) are much lower, and many of the Bellevue ones are only a mile and a half to two miles away from us.

We realize that being further away from central there is an extra length of line to be kept up, but we cannot look over the fact that we are on the line of the telephone system through The Pass and that all of the extra line work and maintenance expense, naturally be charged to us. Further if it is on account of the extra length of line that we are charged more, then the fact that the lines to the other end of the line are charged more from central are assessed the same as we are? The fact that those close to the central exchange are charged with individual phones, and as the distance becomes greater, more and more are put on the same line (there have been as many as seven on the same line in Pasburg), is at least a sufficient reason why those in the more remote portions of the exchange should not be charged more. In other words it is difficult to see why a single line supplying four or five persons should be charged more per subscriber than a single line to one person and at a distance of four to five miles from central, and this more especially since the line is not a solid line but serves to continue the line through the Pass.

We therefore believe that the present tariff is not fair, respectfully ask you to give the matter your attention."

Cowley Happenings

"Nap" Cyr is putting up a fine new horse stable on his place.

Mr. and Mrs. R. Welsh were visitors to Fischer Creek on Friday.

Miss Aggie McEwen spent a few days this week the guest of Mrs. J. H. Bennett.

We are sorry to learn of Mr. H. Hanna's accident, and hope he will soon be around again.

The baseball boys go to Brockton on Friday night to play a return game with the Indians.

Lieut. W. Sharpe, of the 13th C.M.R., is home for a few days visiting his mother, Mrs. W. T. Eddy.

Mr. and Mrs. E. M. Bowerman were visitors with Mr. and Mrs. C. V. Hodgson, at the River, on Sunday.

Fred Eddy gave a farewell party to Lieut. Sharpe on Monday night last. Well, except he is included in the next draft of men for the front.

Another disappointment was had last Thursday, when a crowd gathered at Beaver Mine to attend the sale of hotel furniture. They found that the sale had been called off for another week, or perhaps longer.

Mr. Fisher, of the Forestry, on his return from his recent visit to the west while attending to his horse. One of the animals kicked at him, hitting a pole in the stall and landing against Mr. Fisher, inflicting a nasty gash.

The Orangemen will hold their anniversary service on July 11th at Cowley. The guests will be Rev. W. M. Chalmers will preside.

The graves of brother members at the Cowley cemetery will also be decorated on that afternoon.

Word has come down from Blairmore that one of Blairmore's old times had died in California. Dan Drinn was one of the first men to drive an engine over the Great North Pass Railway, and is well known all along the line, and while the town was yet new he built the old "Blairmore" hotel.

Chief of Police Ford, of Coleman, had a rather exciting experience while trying out a young carter purchased from the Stony Plains Indians.

After returning to Coleman from Blairmore, he decided to hitch up and take his family out for a drive. After driving a short distance the animal balked and kicked. Both the driver and Mrs. Ford and child were all thrown out to the ground. Mr. Ford sustained several cuts and a severe shaking up, which will likely confine him to his house for some days.

Frank Happenings

Mr. and Mrs. George Fairbank, of Coleman, were visitors here on Saturday last.

W. M. Campbell, of Macleod, registered at the Sunnyside hotel on Wednesday.

Ex-Governor Duggan, who visited at Calgary a short time ago, came down on Saturday to spend a few days with his family.

Mr. and Mrs. G. A. LaVoe returned from their honeymoon trip the latter part of last week and have taken up their abode at the Sunnyside.

We understand that Levi Crockett and Angeline Robinson have arrived safely in England and are stationed in Kent.

J. McKinnon, brother of A. J. McKinnon, who went over with the Nova Scotia legs, is also stationed in Kent, England.

Corporal Nicholas Beckus came to town from the Service camp on Saturday to visit his sister, Mrs. J. F. Campbell. Nicholas enlisted as a bugler, but was soon transferred and promoted to corporal. He is now in the 13th C.M.R. and is a fine soldier.

Another petition was circulated around town the early part of the week by the ladies, this time trying to get the ladies to sign in favor of prohibition; but we understand that the ladies showed little interest in the matter by refusing to sign. If Alberta was voting on a bill similar to that about to be voted on in Newfoundland shortly there would be some sense in it, but the present act is only a case of jumping out of the pan into the fire.

Frank played a return league game with Coleman on the local grounds on Saturday last. The ground was in fairly good condition, considering the heavy rains during the week. A fair crowd of spectators witnessed the game.

The game opened fairly strong and had only been in progress about ten minutes when Coleman tried a shot and from thirty yards out, which the Frank goal-keeper mistook, the ball dropping just under the bar and into the net.

Charlie Burrows, one of the old times of the Pass, has opened a restaurant and boarding house in the McCulloch block. The rooms have been thoroughly cleaned and remodelled, and things are in first-class style. Mr. Burrows is now ready to cater to the public. This restaurant is run with strictly white help and will be known as the Canadian House.

Further news has been received of W. H. More, a nephew of Mr. C. E. Barrett, of Blithedale and formerly of the same village, who is a member of the Canadian force now in the fighting line. A week or so back the uncle received a letter stating that he had been sent to hospital, as the severe strain through which he had gone, when the Canadian force had such a terrible time under the German gun, had badly shattered his nerves.

On Sunday morning Mr. Barrett received a letter from his nephew stating that he was still in hospital, but was getting on as well as could be expected. He said: "A fellow is lucky to be alive these days. Fancy being buried three times in one day. I thought each time I was dead, but our boys dug me out and here I am with nothing more or less than a sprained neck, but it is getting on, and I soon hope to be home and doing again."—See August Daily Times.

Oddfellows Decorate

Graves at Hillcrest

About a thousand people assembled at the Hillcrest cemetery on Sunday afternoon last to participate with the members of the Independent order of Oddfellows in their annual service of decoration.

The Oddfellows gathered at the L.O.O.F. hall at Bellevue and paraded to Hillcrest, led by the city band of Coleman under Bandmaster A. Eaton.

Addressing the ceremony were conducted by W. J. Barrett, as Noble Grand, and Rev. J. F. Hunter, as chaplain, of Blairmore Lodge 68.

After the service the members proceeded to the Union hall, where a dining supper was served by a committee from Bellevue Lodge 118. Supper was served to 150 people.

A musical service was held at 7:30 in the same hall, in which the Oddfellows participated. Addresses were delivered by Rev. R. F. Hunter, of Blairmore; Rev. H. Hart, of Hillcrest; and Mr. Hart took as his subject "Disaster and Brotherhood," and delivered an address.

T. Robins, Grand President of the Order and the man largely responsible for the development of the S.O.E. throughout Alberta.--Lethbridge Herald.

Don't miss Clinton Howard tonight. Who ever dreamt that we should have the opportunity of hearing such a noted orator without visiting some other metropolitan centre. Everyone should avail of this great opportunity of hearing the views of one who is probably better posted on questions of the day than anyone else of this age. The train service between here and western points makes it convenient for all to come in and go out at respectable hours, and for the accommodation of those living between Blairmore and Burnie, a regular bus will make trips after 6 p.m.

Mr. J. S. Dennis arrived in Blairmore in his private car on Saturday night last and remained over Sunday. Campbell, L.L.M., for Rocky Mountain, Norman Rankin, C.P.R. publicity agent, and his secretary, Mr. Creswell. Mr. Dennis is regarded as the greatest man in Western Canada, having figured prominently in the C.P.R.'s great irrigation scheme and general development policies, and is at present carrying on a great work at the head of that company's department of natural resources. Having travelled practically the whole world over and lectured in almost every corner of the British Empire, he is a most interesting conversationalist. Blairmore is fortunate in having had occasion to hear him and we trust that the time is not far distant when he shall again pay us a visit.

Blairmore Red Cross
NOTICE--Local meeting for making hospital supplies, on Tuesday afternoon next at the Presbyterian Mission Hall.
The Executive Committee received a very pleasant surprise at their meeting on Monday afternoon, when a letter from B. A. and M. Sinclair was read, presenting to the Red Cross Society for sale, a town lot with building. The committee felt it lucky to get that individual, that he is never known, otherwise the public would have material to laugh over for the rest of their journey on earth.

Dr. and Mrs. McKay of Blairmore visited at the home of the doctor's brother, H. C. McKay, last week. Mr. McKay coming Wednesday and the doctor, Saturday. Both returned to Blairmore Sunday night.--Nanton News.

Here is how one well-known Blairmore leader defines prohibition: "The prohibition movement is a tyrannous scheme to establish virtue and morality by law--to regulate personal appetite and individual habit by the will of the majority--an embryo to resurrect and re-establish the principle of authority of Church and State--is quite as mischievous a delusion as any of those which have gone before it. But, being based on half-truth, it is, like all half-truths appealing to sentiment, the more mischievous. It is too facile an expedient to expose to the simple and credulous who dwell apart and think the cuckoo of their little barnyards the voice of the universe."--Advt.

A Strange Contrast
E. W. Glover, editor of the Journal Advocate, one of the brightest journalists in the province of Alberta, is not only a tower of strength for the prohibition cause in his constituency but is also a strong advocate of Woman's Suffrage. Reading between the lines of the following statements from the last issue of the Advocate would lead us to believe that Mr. Glover thinks the franchise will be granted the women of Alberta as far as distant date. We may add that Mr. Glover is the coming candidate in his district.

Home to Say Good-bye to Brothers
The Rev. J. McLean Hutton, a Presbyterian clergyman in Calgary, who has just been attending the interesting sessions of the general assembly of the Presbyterian church of Canada in Kingston, Ont., arrived in Truro on the 11th, on route to North Sydney, to spend a week at his old home where he was born. At that time, Mr. Hutton especially came out at this time as he wished to say "good-bye" and "God speed you" to his old friends and acquaintances for the war. It is some seven years since Mr. Hutton went to the Western field as a pastor and says that he has seen these convictions much more strongly of such church union as has just been carried by such a sweeping majority in the general assembly of the church.

On his way to his "western home" this old clergyman took a run to St. John and there said farewell to his brother, Pte. Nelson Denton of the 25th Battalion, thence to Truro and by C.A.R. to Kentville to visit his brother, Lieut. W. E. Denton, of the reinforcement corps in camp at Aldershot.

This clergyman, who is well acquainted with Rev. J. McLean Hutton, was very merry to learn of his friend's temporary indisposition and regretted very much that he was not in town.--Truro News.

Direct Appeal to Be Made
The Enterprise learns that a direct appeal for support to the Patriotic Fund, Red Cross Fund, and Imperial Fund will shortly be made throughout Southern Alberta, and that this district will not be overlooked. While the response of the public in the past has been decidedly generous, the need is very great indeed, and more because the war continues. We understand that the committee in charge will co-operate with the United Farmers of Alberta and other organizations, and assistance will be held at the principal centres, where the purpose of the funds, and the methods of their distribution, will be discussed in detail. While cash subscriptions are highly desirable, it is likely that an opportunity will be given to farmers to make donations in grain to be delivered after harvest. This will enable our agricultural population, whose patriotism and generosity are well known, to do their part in a way which is difficult for them at the present time if cash donations only were accepted. Further announcement will be made at an early date.

Support Your Home Town

This town, in common with others, is periodically flooded with price lists and catalogues sent from various houses. These houses send you to cheap, flashy catalogues, and you are tempted to buy cheap goods. They solicit your business, offer you, according to the catalogue, great bargains; but does it pay to send your money away for these cheap purchases? How many times have the goods purchased in this manner been of poorer quality than the goods you buy at home for almost the same price?

Your local dealer advertises in your local paper; does the mail order house advertise in the paper that you receive? No, because as long as the local dealer supports the local paper he does not intend to accept their full page size.

Who puts up the money for sports, for the local hospital, for improvements and the mail order house? The merchant has to come across every time with the money, and the mail order house only sends more catalogues into the merchant's territory to draw away his trade.

Did you ever write to a mail order house for donations towards improvements?

The merchant pays taxes in your district to help defray expenses and thus helps to pay your school taxes. The mail order house pays taxes in a community hundreds of miles away from where you live and you receive no benefit. Trade at home. Read the advertisements in the local paper and see who helps support the paper you are reading.

The Newspaper Man

He seldom is handsome or natty. He has none of the charms of a dandy and is more often abstract than flashy. And sometimes unbearably rude. He courts us, then glides away and grieves us.

As much as he possibly can: He knows us, loves us and leaves us this precious newspaperman.

Our mother was't his kin come calling. He's no curdly good as a "cuddly." His manners (they say) are appalling. His finances usually mean. He's a rollicking, reckless, daring, living but for the hour, the day, He's dangerous, dubious, daring, fit for a husband they say.

But somehow we girls are forgiving. Perhaps he has never in the matter because he goes wrong in his living. And knows the old world to its core. We go on by the daily and the cheerful who led in society's way. And cherish the thinker and dreamer, fashioned in the newspaperman.

A Blairmore Poet.
